**Ms. Vickie, Christian Comedienne**

Ms. Vickie is a nationally touring Christian comedienne that has been performing standup comedy since her first “comedy on a dare” appearance in Kansas City, MO in 1992. She has appeared on ABC, USO Tours, HBO, and BET. She is without fear, boldly proclaiming, from every stage made available, **“There is nothing like G-O-D!”** Her thought provoking humor on surviving every day, although encountering many daily frustrations, is a testament that God is in control.

Ms. Vickie is straightforward throughout her performance, sharing with audiences much to be thankful for and delivering the gospel. Described as the witty comedienne, she generates laughter at life’s unpleasant situations. Her comedy routine about being homeless, robbed at gunpoint, telling her children how to handle the electricity being off, and the death of a loved one, are just a few comedic tales, which keeps audience members laughing when others would choose to give up. James 1:2 “Consider it all joy, my brethren, when you encounter various trials, knowing that testing of your faith produces endurance.”

Ms. Vickie’s motto is to “Keep God first and Keep Laughing!” We guarantee side-splitting enjoyment from start to finish throughout the standup comedy performance and testimony of this Christ-focused comedienne. She is a favorite and must have for Women’s Ministries, Adult/Married Ministries, Young Adult Ministries and Singles/Single Parents Ministries, as well as, holiday, corporate and private events.
